"Best Quality Ice at a Fair Price for Our Community"

KEEN Hat Trick Services:

- LED Lighting
- Refrigeration
- Pump's

"Another thing that was great for us is that when we started the refrigeration project, most companies would say 2 to 3 days. Their time was 12 hours. They knew that from start to finish they had to get this project done. KEEN came in and acted like a SWAT team." "We're exactly half the utility cost"
